Thanks Mindy.

Hi Simma – I understand you'll be taking the lead on briefing the NHPA issue during the assumption meeting with David Ross this week. How much time we're you planning for the briefing? The meeting is scheduled for 45-minutes, and we were hoping to utilize at least 10 minutes for other assumption-related updates. Thanks, and feel free to call me if you want to discuss.

Tom

Yes, Simma confirmed that she and possibly Tod Siegel will present. She was also checking with ORC to see if they wanted to say a few words, but you aren't on the hook 😊

Mindy – Were you able to confirm with OGC that they will take the lead on this, and if so, do you know who will take point (e.g., Simma)?

I will confirm with OGC that they will take the lead on the briefing. Attached is what was sent to Dave. You hadn't seen this?

thanks

Thanks Mindy, and I have a couple follow-up questions.

I'm assuming it would be OGC that takes point in the discussion on NHPA issue...is that your understanding?

The email below references a "paper" that was shared with David Ross. Is that something that you have and can forward?

My understanding from John is that we should plan to discuss it during our scheduled biweekly with Dave and Mary next week and if we need further discussion, we'll get the separate meeting scheduled. John sent the paper to Dave. Does that work?

We will put in a meeting request and send up the paper today, and then leave it to Dave to decide if he wants a separate briefing for just follow up on the paper.

Ex. 5 Deliberative Process (DP)
--

We can discuss at our

meeting this afternoon, John, if you like.

Another option would be to send the paper to Dave – might not need much discussion, or he could followup with R4 and David as needed.

Thanks.
